## RLHE0845 -40°C Sparkfree Chest Freezer

| Part Number                 | RLHE0845           |
|-----------------------------|--------------------|
| Capacity (Litres)           | 237                |
| Style                       | Chest Freezer      |
| Exterior Dimensions (HxWxD) | 860 x 1050 x 730mm |
| Interior Dimensions (HxWxD) | 640 x 845 x 445mm  |
| Weight                      | 58kg               |
| Operating Temperature       | -20°C to -45°C     |
| Interior Construction       | Aluminium          |
| Exterior Construction       | Painted Steel      |
| Defrost                     | Manual             |
| Sparkfree Interior          | ✓                  |
| High Temperature Alarm      | ✓                  |
| Low Temperature Alarm       | ✓                  |
| Digital Temperature Display | ✓                  |
| Door Lock                   | ✓                  |
| Feet                        | 4                  |
| Energy Consumption          | 0.61 kWh/24h       |
| Eco Friendly Refrigerant    | ✓                  |

**Warning: Do not store open containers of volatile substances in this freezer.**

Compact chest freezer featuring a spark free interior for laboratory safety.

Fitted with a lid lock as standard, this freezer also comes complete with a digital temperature display and high and low temperature alarms.

Bespoke racking can be provided if required as can baskets at an extra cost. To increase the life of your freezer and to ensure you get optimum performance, preventative maintenance contracts are also available. Why not ask for details when you order?

Digital Temperature Display
