

ULTF130 -80°C Ultra Low Temperature Sparkfree Chest Freezer

Compact ultra low chest freezer featuring a spark free interior for laboratory safety.

Fitted with a lid lock as standard, this freezer also comes complete with a digital temperature display and castors for easy manoeuvrability.

Featuring an energy saving Danfoss compressor this freezer offers little temperature variation across the cabinet, making it ideal for the storage of samples which demand tight temperature tolerances.

Bespoke racking can be provided if required as can baskets at an extra cost. To increase the life of your freezer and to ensure you get optimum performance, preventative maintenance contracts are also available. Why not ask for details when you order?

Part Number	ULTF130
Capacity (Litres)	130
Style	Chest Freezer
Exterior Dimensions (HxWxD)	920 x 720 x 735mm
Interior Dimensions (HxWxD)	650 x 450 x 520mm
Weight	56kg
Operating Temperature	-65°C to -85°C
Interior Construction	PVC Coated Steel
Exterior Construction	Painted Steel
Defrost	Manual
Access Port	✓
Sparkfree Interior	✓
Open Door Alarm	x
High Temperature Alarm	✓
Low Temperature Alarm	✓
Mains Failure Alarm	✓
Remote Alarm Contacts	✓
Digital Temperature Display	✓
Key Operated Lid Lock	✓
Internal Polystyrene Lids	✓
Castors	4
Vacuum Release Port	✓
Noise Level	≤51dba
Energy Consumption	5.8 kWh/24h
Eco Friendly Refrigerant	✓

LABORATORY EQUIPMENT MAINTENANCE, REPAIR, CALIBRATION AND SALES

Established in 1987, Henderson Biomedical is the UK's leading laboratory equipment sales and service provider. Our knowledgeable team can provide you with excellent sales advice on a range of different types of laboratory equipment including centrifuges, refrigerators, freezers and heat sealers.

Henderson Biomedical is also able to provide you with first class after-sales service and calibration of your laboratory equipment. We are an **ISO 17025 (UKAS) accredited calibration test laboratory** and our team of Field Service Engineers cover the whole of the United Kingdom.

Please contact us for more information on the types of equipment we supply and the different after-sales services we can offer.
